Ratification of previous issue of Shares

General

During the last 12 months, Eclipse has issued a total of 5,000,000 Ordinary Shares (**Shares**) the subject of Resolution 4, without prior Shareholder approval pursuant to ASX Listing Rule 7.1.

Listing Rule 7.1 and 7.4

Listing Rule 7.1 provides a company with the ability to issue during any 12-month period, that amount of securities that represents up to 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period without Shareholder approval. 5,000,000 Shares, the subject of Resolution 4 was issued pursuant to the Company's 15% annual placement capacity under ASX Listing Rule 7.1.

ASX Listing Rule 7.4 enables the Company to ratify an issue of securities made without prior Shareholder approval under Listing Rule 7.1 if:

- (a) the issue of Shares did not breach Listing Rule 7.1; and
- (b) Shareholders subsequently approve the issue of those securities by the Company.

By ratifying the issue, the subject of Resolution 4, the base figure which the Company's 15% and 10% annual placement capacities are calculated will be increased by 5,000,000 Shares which in turn will allow a proportionately higher number of securities to be issued without prior Shareholder approval.

If the issue, the subject of Resolution 4 is not ratified, the issue remains valid, but the Company will be restricted in the number of securities that can be issued.

Resolution 4 – Ratification of previous issue of 5,000,000 Shares under ASX Listing Rule 7.1

In March 2018, Eclipse advised of the issue of 5,000,000 Shares to Lennard Drilling Pty Ltd in part payment of drilling services rendered in respect of the December 2017 Mary Valley Manganese drill program.

In accordance with the terms and conditions of the December 2017 Memorandum of Understanding for Drilling Services between Lennard Drilling Pty Ltd and the Company, fees for drilling services can be paid in cash or through the issue of Shares in the capital of the Company.

The Company has issued 5,000,000 Shares to Lennard Drilling Pty Ltd utilising the Company's 15% annual placement capacity under Listing Rule 7.1 in part payment of fees for drilling services for the December 2017 Mary Valley Manganese drill program. The balance of the fees owed (\$63,000) were paid in cash.

Resolution 4 seeks Shareholder approval pursuant to ASX Listing Rule 7.4 for the issue of these Shares.

Information required by ASX Listing Rule 7.4

In compliance with the information requirements of ASX Listing Rule 7.5, Shareholders are advised of the following with respect to Resolution 4.

No. of Securities Issued:

5,000,000 Shares

Issue Price:

Deemed issue price of \$0.012 as set at the time of signing the December 2017 Memorandum of Understanding for Drilling Services with Lennard Drilling Pty Ltd for a total part payment of \$60,000

Issue Date:

06 March 2018

Reason for Issue:

The payment for drilling services for the December 2017 Mary Valley Manganese drill program.

Use of Funds:

No funds were raised from the issue as the Shares were issued in part satisfaction of drilling services rendered.

Terms of Securities:

All Shares were issued as fully paid ordinary shares ranking equally with existing Shares. Quotation on the ASX was sought and obtained.

Subscriber:

The Shares were issued to Lennard Drilling Pty Ltd, being the supplier of the drilling services, who is not a related party of the Company.

Recommendation of Board

The Board believes that the ratification of these issues is beneficial for the Company.

The Board unanimously recommends Shareholders vote in favour of Resolution 4, as it allows the Company to ratify the above issues of Shares and retain the flexibility to issue the maximum number of equity securities permitted under Listing Rule 7.1 without shareholder approval.

Furthermore, the Company was able to preserve cash reserves being able to offer Shares in part payment of drilling services.

Resolution 5- Approval of 10% Placement Capacity

General

The Company is seeking Shareholder approval to issue an additional 10% of its issued capital over a 12-month period pursuant to Listing Rule 7.1A.

Pursuant to Listing Rule 7.1A, small and mid-cap listed entities that meet the eligibility threshold and have obtained the approval of their ordinary shareholders by special resolution at the annual general meeting, are permitted to issue an additional 10% of issued capital over a 12-month period from the date of the annual general meeting (**Additional 10% Placement**). The Additional 10% Placement under Listing Rule 7.1A is in addition to the ability of the Company to issue 15% of its issued capital without shareholder approval over a 12-month period pursuant to Listing Rule 7.1. The Company may issue the Equity Securities to raise funds for the Company and as non-cash consideration (further details of which are set out below).

An entity is eligible to undertake an Additional 10% Placement if at the time of its annual general meeting it has a market capitalisation of \$300 million or less and it is not included in the S&P/ASX300 Index.

For illustrative purposes only, on 10 October 2018, the Company's market capitalisation was approximately \$3.45 million based on the last trading price on that date. The Company is not included in the S&P/ASX300 Index as at the time of preparing this Notice of Meeting, therefore, the Company is an Eligible Entity and can seek the Additional 10% Placement under Listing Rule 7.1A.

If the Company for any reason ceases to be an Eligible Entity after the Company has already obtained Shareholder approval pursuant to this Resolution, the approval obtained will not lapse and the Company will still be entitled to issue the Equity Securities during the 12-month period following this Annual General Meeting.

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% capacity under Listing Rule 7.1.

At the date of this Notice of Meeting, the Company has on issue 1,148,674,090 Shares. The Company will have the capacity to issue the below Equity Securities immediately following the Meeting:

- 172,301,114 Equity Securities under its 15% Placement Capacity (Listing Rule 7.1); and
- Subject to Shareholder approval being obtained under this Resolution, a further 114,867,409 Equity Securities under its 10% Additional Capacity (Listing Rule 7.1A).

The actual number of Equity Securities that the Company will have the capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (as described following).

Formula for calculating the 10% Placement Capacity under Listing Rule 7.1A.2

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an AGM may issue or agree to issue, during the 10% Placement Period, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

A is the number of fully paid shares on issue 12 months before the date of issue or agreement:

- plus, the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- plus, the number of partly paid shares that became fully paid in the 12 months;
- plus, the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4 (which does not include the 10% Placement Capacity);
- less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% Placement Capacity.

D is 10%;

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

Special Resolution

Listing Rule 7.1A requires this Resolution to be passed as a Special Resolution, which means that it must be passed by at least 75% of the votes cast by members entitled to vote on the Resolution.

Pursuant to Listing Rule 7.1A, no Equity Securities will be issued until and unless this Special Resolution is passed at the Annual General Meeting.

Specific information required by Listing Rule 7.3A.

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the approval of the 10% Placement Capacity:

Listing Rule 7.3A.1 -

Minimum price of securities issued

The pricing formula for Equity Securities issued under Listing Rule 7.1A is not less than 75% of the volume weighted average price for the Company's Equity Securities calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (1) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (2) if the Equity Securities are not issued within five (5) trading days of the date in paragraph (1) above, the date on which the Equity Securities are issued.

The Company will disclose to the ASX the issue price on the date of issue of the Equity Securities

Listing Rule 7.3A.2 -

Risk of economic and voting dilution

As provided by Listing Rule 7.3A.2, if Resolution 5 is passed and the Company issues the Equity Securities, there is a risk of economic and voting dilution to the existing Shareholders. The Company currently has on issue 1,148,674,090 Shares and could issue 114,867,409 Shares immediately following the AGM (however, it is important to note that the exact number of Equity Securities which may be issued will be calculated in accordance with the formula contained in Listing Rule 7.1A.2, details of which are set out above). Any issue of Equity Securities will have a dilutive effect on existing Shareholders.

Shareholders should note that there is a risk that:

- the market price for the Company's Equity Securities may be significantly lower on the issue date than it is on the date of the Annual General Meeting; and
- the Company's Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the date of issue

which may influence the amount of funds raised by the issue of Equity Securities under the Additional 10% Placement Capacity.

As required by Listing Rule 7.3A.2, the table below shows the dilution effect for existing Shareholders upon the issue of the maximum number of Equity Securities under the Additional 10% Placement Capacity, using different variables such as:

- the issued share capital has increased by both 50% and 100%; and
- the market price of the Shares as at the close of trade on 10 October 2018 has halved and then doubled.

Shares on Issue	Dilution Table			
		\$0.0015 50% decrease in Issue Price	\$0.003 Current Share Price	\$0.006 100% increase in Issue Price
<i>Variable A in Listing Rule 7.1A.2</i>				
Current Issued Shares 1,148,674,090	10% Voting Dilution	114,867,409 Shares		
	Funds raised	\$172,301	\$344,602	\$689,204
50% increase in Issued Shares 1,723,011,135 Shares*	10% Voting Dilution	172,301,114 Shares		
	Funds raised	\$258,452	\$516,903	\$1,033,807
100% increase in Issued Shares 2,297,348,180 Shares*	10% Voting Dilution	229,734,818 Shares		
	Funds raised	\$344,602	\$689,204	\$1,378,409

*The number of Shares on issue could increase because of the issue of Shares that do not require Shareholder approval (such as under a pro rata rights issue or shares issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The following assumptions were made when preparing the dilution table:

1. There are currently **1,148,674,090** Shares on issue as at the date of this Notice of Meeting;
2. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares;
3. The Company issues the maximum number of Equity Securities available under the 10% Placement Capacity;
4. No Options are exercised into Shares before the date of the issue of the Equity Securities;
5. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. Therefore, the voting dilution is shown in each example as 10%;
6. The table does not show the dilution affect that may be caused to a Shareholder;
7. The table only shows the effect of issues of Equity Securities under Listing Rule 7.1A not under the 15% Placement Capacity under Listing Rule 7.1; and
8. The issue price of \$0.003 is the closing price of the Shares on the ASX as at 10 October 2018

**Listing Rule 7.3A.3 -
Final Date for Issue**

As required by Listing Rule 7.3A.3, the Company will only issue the Equity Securities during the 12 months after the date of the 2018 Annual General Meeting which the Company anticipates will end on 23 November 2019.

The approval under this Resolution for the issue of the Equity Securities will cease to be valid if Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities of the Company) or Listing Rule 11.2 (the disposal of the main undertaking of the Company) before the anniversary of the Annual General Meeting.

**Listing Rule 7.3A.4 -
Purpose**

The purpose for which the Equity Securities may be issued include to raise funds for the Company.

Funds raised from the issue of Equity Securities, if undertaken, could be applied towards:

1. To take advantage of exploration opportunities as well as any new mineral projects acquired by the Company during the period ahead; and
2. Potential acquisition of new assets and investment opportunities

The Company may issue Equity Securities for non-cash consideration, such as the acquisition of new assets or interest. If the Company issues Equity Securities for non-cash consideration, the Company will release to the market a valuation of the non-cash consideration that demonstrates that the issue price of the Equity Securities complies with Listing Rule 7.1A.3.

**Listing Rule 7.3A.5 -
Allocation Policy -**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue of the Equity Securities. The identity of the potential investors of Equity Securities will be determined on a case - by - case basis having regard to several factors including but not limited to the following:

- (1) the methods of raising funds that are available to the Company including, but not limited to, rights issue; or
- (2) other issue in which existing shareholders can participate;
- (3) the effect of the issue of the Equity Securities on the control of the Company;
- (4) the financial situation and solvency of the Company; and
- (5) advice from corporate, financial and broking advisers (if applicable).

Voting Exclusion Statement

A voting exclusion statement is included for this Resolution in the Notice of Meeting accompanying the Explanatory Memorandum. As at the date of this Notice, the Company has not approached any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A therefore, no existing Shareholders will be excluded from voting on Resolution 5

Recommendation of the Board

The Directors of the Company believe that Resolution 5 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

The ability of the Company to issue Shares under the 10% Placement Capacity will enable the Company to issue Shares at a discount to the then market price in circumstances where it might otherwise be subjected to the cost, delay and uncertainty of having to go back to Shareholders for approval. The additional flexibility and speed to conduct capital raising will better position the Company to pursue its interests in the prevailing difficult market conditions.
